

Quaker Hill Country Club, Inc.

1013 Old Quaker Hill Road
Pawling, New York 12564

Dear Prospective Member

Thank you for your inquiry about Quaker Hill Country Club. It is a truly special place for families and individuals to enjoy a host of amenities for over 75 years. Aside from golf, tennis, and croquet, QHCC has many family and children's programs, including a spectacular summer golf and tennis children's program and our simply amazing annual children's theater program. (Last year's production was "Disney's 101 Dalmations"). It has been one of the favorite family events for over 50 years. Combine these with our fine dining, club room ambiance, historical significance, the conviviality of the membership, and the beautifully maintained Robert Trent Jones Sr. course with no tee times or greens fees, you will discover that there is something for everyone at QHCC.

• 2022 Initiation promotion - Our initiation of \$12,000, as shown on our price sheet, is payable over 2 years or you can pay \$9,500 in a one-time up-front payment saving you \$2,500

We were recently rated as one of the top 25 courses in the Hudson Valley by the Hudson Valley Post along with iconic venues Winged Foot, Sleepy Hollow, Whipoorwill, and Old Oaks. Robert Trent Jones Sr. designed and built the golf course in 1940 for our founder Lowell Thomas and it is truly a classic. A few years back, QHCC was rated as one of the best 9-hole courses (#13) in the United States.
