Food and Beverage Minimum

The Club's annual food and beverage minimum of \$750 applies to all classes of membership with the exception of Non-Resident House Members which is \$350 and Honorary Members which are exempt. Payment is due on or before February 29th.

After March 1st, there will be a finance charge assessed in the amount of 1.5% per month.

If a member joins the club between July 1st through July 30th they will pay \$350 for their food minimum. If a member joins the club between August 1st and September 1st they will pay \$175 for their food minimum. If a member joins after September 1st they will pay no food minimum.

The following charges will apply towards your food and beverage minimum: all regular dining food and beverage, including beverages from the pro-shop cooler; all social event food and beverage; Sunday Scramble/Nine & Dine food and beverage and the accompanying sales tax and gratuity.

Each member is responsible for payment of their food and beverage minimum on the payment schedule outlined. Members not complying with the payment schedule will be reviewed by the QHCC Board of Directors and may lose Club privileges.

Policy Statement for Alcohol Consumption on Premises

It is against the Laws of the State of New York, the State of Connecticut and the policies of Quaker Hill Country Club to serve alcohol to any persons under the age of 21, to any person displaying visible signs of intoxication, or to permit a visibly intoxicated or impaired person to operate a motor vehicle. It is within the discretion of Quaker Hill Country Club management or its concessionaires to determine the withholding of service to a visibly intoxicated or impaired person or a person that cannot produce proof of age.

Quaker Hill Country Club and its concessionaires will assist, upon request, any impaired person to return to their residence safely.

No Smoking Policy

Smoking shall be prohibited in the following areas: (i) inside the Clubhouse building, including all interior common areas and areas used primarily by staff; (ii) on or below the outdoor deck to the Clubhouse; (iii) the outdoor patio adjacent to the Club-house; and, (iv) all other outdoor common areas, including the tennis courts, practice putting green, driving range, croquet court and parking lot; provided, however, that smoking may be permitted on the golf course with the express permission and consent of the non-smoking members of a playing group, and provided further that the Board may establish a designated outdoor smoking area or areas for members, guests and staff to use, which shall be posted accordingly, along with the posting of signage in areas where smoking is prohibited.

Dog and Pet Access to Clubhouse and Facilities

Companion Dogs and other pets are not permitted in the Clubhouse, restaurant and outdoor patio areas.

"Service dogs", as defined under the Americans for Disabilities Act ("the ADA"), are permitted full access to the Clubhouse, restaurant and patio areas. As defined by law, service dogs are working animals, not pets, that are required to assist an individual with a disability and have been trained to perform specific tasks for the benefit of that individual.

"Emotional Support Dogs" ("ESAs") must be pre-approved by the Club President. In order to be considered an emotional support dog, evidence must be submitted that the dog has been prescribed by a mental health professional for a patient with a diagnosed psychological or emotional disorder, such as anxiety disorder, major depression, or panic attacks.

Approved Emotional Support Dogs are not permitted in the Clubhouse or restaurant, but may be permitted on the Clubhouse deck (or the outside patio only when food is being prepared on the deck), under the following conditions:

- **Dogs should be limited to 25 lbs. or less**
- **Dogs are not permitted to remain on the Clubhouse deck or any other area where food or drink is being prepared**
- **Dogs must be confined to a specific area on the Clubhouse deck (or outside patio) and not be allowed to wander**
- **Dogs must use the separate outdoor stairway entrance provided to the Clubhouse deck and may not enter or go through the Clubhouse**
- **Dogs must remain on a leash or confined in a pet carrier, and under control by the owner at all times**
- **Food and water provided to Dogs must only be in single-use disposable containers**
- **Owner must give advance notice to the Barn before bringing a Dog to the Clubhouse deck (or outside patio**

- **The Barn has the right to determine the area on the Club house deck (or outside patio), and the number of Dogs, to be allowed at a given time**
- **The Barn employees are prohibited from having direct contact with the Dogs while on duty, and if they do, they must wash their hands immediately**

Quaker Hill Country Club Golf Rules

Golf is a sport in which etiquette is of paramount importance. Conformity to Club rules and regulations is required to ensure that members and guests receive maximum enjoyment from the use of the course and facilities. The responsibility of all golfers begins on the first tee and continues all during play. Consideration for others is the most important rule of golf. The conduct, language and acts of members and their guests should always be tempered with reasonableness and respect for fellow members, guests and employees.

In addition to the Rules set forth herein, the use of the golf course and golf facilities at the Club, including regular play, use of practice areas, tournaments, the handicap system and spectating (when applicable), is subject to the rules and guidelines as amended and supplemented from time to time by the Golf Committee, and as approved by the Board of Directors.

For purposes of these rules, "Peak Time" shall be Fridays after 2:00pm, Saturdays, Sundays, and Holidays.

For purposes of these rules Senior Golf Members and Honorary Members have the same status as Golfing Members.

1. All golfers must register themselves and their guests in the Pro Shop before each round of play.
2. U.S.G.A. Rules of Golf will govern all play unless modified by local rules.
3. As part of the Club's New Member Orientation program, newly approved Members shall meet with the Club's Golf Professional to acquaint the new Member with the golf rules and etiquette of the golf course, before being authorized to use the golf course, or practice area.
4. From Memorial Day through Labor Day golfers may be instructed by the Golf Professional to play as a threesome or foursome during Peak Time. The Board authorizes the Golf Professional the right to use his discretion, based on play, to reconstitute groups as threesome or foursomes during these periods. Children under the age of 14 are not allowed to play or use practice facilities during Peak Times, unless prior arrangements are made with the Golf Professional.
5. Members' Children and Grandchildren under the age of 14 are not allowed to play or use practice facilities during Peak Times unless such person (i) is able to maintain pace of play, and (ii) is accompanied by a Regular or Senior Golf Member, or (iii) has made prior arrangements with the Golf Professional.

6. Players should play at a pace which enables them to keep up with the group in front. If they lose the distance of one clear hole, proper golf etiquette requires that they invite the group behind to play through, regardless of the number of players in that group. Having allowed the group behind to play through, they should not continue play until that group has passed and is out of range.
7. Players continuing to the 10th tee from the 9th green have priority over those starting players on the 1st tee. During particularly busy periods, starting groups will alternate in with turning groups as directed by the Golf Professional.
8. Players stopping for refreshments after nine holes must surrender their position to oncoming or starting players and will resume their position when a sufficient opening occurs.
9. Players are expected to rake bunkers, to replace divots or fill divot marks with seed mix, and to fix ball marks on the greens.
10. During Peak Time, Members shall refrain from practicing on the golf course. Pitching practice on regular greens is prohibited, as is practice in green side bunkers.
11. All members and guests, when using motorized golf carts, agree by accepting same, to exercise good judgment and reasonable care in the operation of the vehicle, to follow all cart signs, and to abide by the rules of the Club governing their use. Any member or guest using a golf cart agrees to return cart in same condition as received and to reimburse the Club for any damage. Each member or guest using or riding in a golf cart agrees, thereby, to indemnify and hold the Club harmless from all liability, attorney's fees and other expenses incidental to and incurred by the Club, arising from the rental, use or operation of any cart by such member or guest. Children under the age of 16 shall not be permitted to operate carts. All individuals using the golf facilities do so at their own risk and the Club assumes no responsibility for injury or damage resulting therefrom.
12. **USE OF GOLF COURSE BY MID-WEEK MEMBERS**
Play is not allowed for Mid-Week Members during Peak Times except as set forth under the guest rules as set forth herein. Except for The Club Championship tournaments Mid-Week Members may not participate in weekend tournaments. Mid-week Members may not participate in golf leagues unless, ten days prior to the starting date of league play, the league is not filled by Regular, Intermediate and/or Senior Golf Members. Mid-Week Members may play as a substitute in any such league if Regular, Intermediate and Senior members are not available as a substitute.

13. **USE OF GOLF COURSE BY ALL CATEGORIES OF TENNIS AND HOUSE MEMBERS**
Play is not allowed for Regular and Senior Tennis and House Members except as set forth under guest rules
14. The course is closed for maintenance until 1:00 pm on Mondays. Tuesdays from 8:00 am until 1:00 pm the course is reserved for Tuesday Women's League. Tuesday evenings from 5:00 pm until 8:00 pm the course is reserved for the Tuesday evening Men's League. Please refer to the Club calendar for dates of outings and tournaments when the course (including the golf range and practice green) is closed to non-participants. Additionally, all Club matches and tournaments (when the course is not closed) have priority on the course. Exceptions are at the discretion of the Golf Professional. Except as otherwise directed by the Board of Directors, the Golf Course Superintendent will make the final decision as to whether the course, or any part of it, will be closed to play or to carts, due to playing conditions or for necessary maintenance.
15. If a ball is in or lost in the water hazard during the play of holes 9 or 18, the player must proceed to the ball-drop area in front of the women's 9th tee, drop a ball in accordance with the rules, and continue play of the hole from there under penalty of one stroke.
16. Use of the practice range is subject to rules posted at the range. The practice range must be used safely. Shots of more than 150 yards are prohibited. No shots should be hit when golfers are in range on the 1st or 8th holes. The Golf Professional or the Golf Course Superintendent may close the practice range at any time to permit recovery of range balls or because of adverse weather or turf conditions. Use of the practice facilities by House, Tennis and Mid-Week Members is limited to the times when such member is permitted to play golf in accordance with the golf or guest rules.
17. All posted instructions on the first tee, in golf cart, on the course and elsewhere must be obeyed. With the oversight of the Golf Committee and the Board of Directors, the Golf Professional has discretion to implement, temporarily modify, and enforce Golf Rules. The Members and Club staff shall promptly report to the Golf Professional or Golf Chair all issues involving compliance with the Rules and Regulations.
18. These Rules are subject to change, by the Board of Directors, without notice

Rules Governing Use of Golf Course, Tennis Courts and Croquet Court by Guests

1. A Member must sponsor all golfing, tennis and croquet guests and they must register guests at the Golf Pro Shop prior to play. Golf course, tennis court and croquet court use by any one guest, regardless of host, is limited to no more than twice in any calendar month and no more than a cumulative total of five times in any calendar year. Any exception requires prior permission from a Club Officer. Such exceptions shall be reported to the Board of Directors for periodic review. The guest play restriction does not apply to Club sanctioned member-guest tournaments.
2. Unless otherwise provided herein or in the Golf Rules, during Peak Times, a guest must play with a Golfing Member. Any exception requires prior permission from either the Golf Professional, the Chairperson of the Golf Committee or a Club officer. On all other days four or fewer Guests need not play with a Golfing Member provided the sponsoring Golf Member personally makes the reservation with the Golf Professional and assumes responsibility for those Guests including any charges the Guests may incur at the Club.
3. Golf course use during Peak Times is limited to no more than three Guests per Golfing Member. On all other days, golf course use is limited to no more than seven Guests per Golfing Member. Any exception requires prior permission from either the Golf Professional, the Chairperson of the Golf Committee or from a Club officer.
4. Regular and Senior House and Regular and Senior Tennis Members shall be entitled to play golf once per month, per member account (greens fees equal to the applicable guest fee will apply). A guest of the House or Tennis Member need not be accompanied by a Golf Member if accompanied by the House or Tennis Member. Guest Greens Fees apply for such usage and are the responsibility of the Member. Such members may play in Sunday Scrambles, once a month by utilizing their once a month golf privilege. In addition, such members may play in a Sunday Scramble as a guest of another playing golf member, no more than once per month.
5. Members may not leave Guests at the golf range while playing a round of golf without making prior arrangements with the Golf Professional. In no event may such Guests interfere with the use of the golf range by Members or by the Golf Professional for lessons. If Guests are left to use the golf range while a Member plays golf, the applicable greens fee will be charged to the Member's account.
6. Guests 13 years of age or younger may play golf when accompanied by an adult Member during non-Peak time periods at one-half the price of a normal guest fee.

Golf Tournament Rules

Men's Golf President's Cup*: To participate, it is recommended that all participants have a ten handicap or lower.

Men's Golf Director's Cup*: To participate, it is recommended that all participants have a handicap of twenty-five or below. Participants must complete matches within two weeks of being scheduled by the Pro Shop. Failure to complete the match on time may, in the discretion of the Golf Committee, result in forfeiture of the match. Matches will be given preference of play on the weekends.

Senior Men's Golf Cup*: To be eligible, all participants must be fifty years of age or older. Matches will be given preference of play on the weekends.

Men's Golf Member-Guest Tournament*: The top three teams of the A Division and the first place team from the B Division are automatically entered into the field for the following year, unless they opt out. All entrance fees are still applicable.

Women's Golf – Betsy Scholze Club Championship: To participate, it is recommended that participants have an eighteen (18) Course Handicap or lower.

Women's Golf – Margaret Johnson Handicap Tournament: To participate, it is recommended that all participants have a forty-five (45) Course Handicap or lower, under no circumstance will more than 45 strokes be permitted in this event; per USGA Handicap Recommendation of Maximum of 40.4 Handicap Index in an 18-hole women's event. Participants must complete matches within two weeks of being scheduled by the Pro Shop. Failure to complete the match on time may, at the discretion of the Golf Committee, result in forfeiture of the match. Matches will be given preference of play on the weekends.

Women's Golf Member-Guest Tournament: This tournament is open to all women and their guests who are interested in playing for the title, however It is recommended that all participants have a forty-five (45) Course Handicap or lower, under no circumstance will more than 45 strokes be permitted in this event; per USGA Handicap Recommendation of Maximum of 40.4 Handicap Index in an 18-hole women's event.

Co-Ed Member/Member Club Championship: This tournament is open to members only with each two person team consisting of one male and one female. It is an 18 hole best ball event with handicaps capped at 36 for men and 45 for women. Handicaps will be accessed at 90%. This tournament will be capped at 48 participants (24 teams). Lowest net team score wins. In case of a tie, the winner will be determined by a match of cards.

**There will be sign-up sheets for all tournaments in the Pro Shop when the course opens for play. Except as noted above, entrance into a tournament will be on a first-come, first-served basis.*

Rules Governing Use of Golf Course by Club Staff

Golf course use by Club staff is limited to weekdays (excluding Holidays) after 5 P.M. only.

Rules Governing Use of Tennis and Croquet Courts by Guests

The rules governing the use of the tennis and croquet courts by guests of all classes of membership shall be analogous to those governing the use of the golf course, with the understanding that if an issue of interpretation of such rules arises, such issue shall be resolved by the President of the Club or by his or her designee.

Cancellation Policy

A Five (5) Day cancellation policy is in effect for all Social Functions, Scrambles, Golf Tournaments, Golf Invitationals, Tennis Tournaments, Croquet Tournaments, and Women's and Men's League play.

Cancellations received after 11 a.m., five days prior to the event will result in the member being charged for the meal and a portion of the event. The cost of the event and the amount for which the member will be held responsible in the case of late cancellation will be available at the time the member signs up for the event. There will be no exceptions to this cancellation policy. Members signing up for an event within five days of the event will automatically be responsible for the cancellation fee for nonattendance.

To cancel please call: 845-855-1040, ext 104 or Email: rsvp@quakerhillcc.com

Reciprocal Agreement with Lake Waramaug

Members should be aware of the terms of our reciprocal agreement with Lake Waramaug Country Club. During our three-day Men's Golf Member-Guest Tournament our members are permitted to play the Lake Waramaug course for no charge. Their members are granted the same benefit at Quaker Hill Country Club during their Member-Guest Tournament. These arrangements must be made in advance, through our Golf Professional. This agreement is extended to our members and their members only and not guests of our members or guests of their members, as the case may be. If there are other times during the year you would like to play the challenging Lake Waramaug course, please arrange this through our Golf Professional. Remember this courtesy is extended at the discretion of the Golf Professional at Lake Waramaug, and you will be charged greens fees by Lake Waramaug.

Country Club Dress Code

Appropriate attire for all Club activities, which include, but are not limited to those on the golf course, tennis and croquet courts, deck and in the restaurant, is mandatory. Denim is never considered to be appropriate for any athletic or social events. Exceptions to this exclusion will be made for unique social events, such as Halloween or other custom-attire social events or themed athletic events. It is the responsibility of the Member to communicate the dress code and code of conduct to all guests they bring to dine or participate in any activity.

Dining Room Dress Code

Attire should meet the standards of good taste expected from the members, children and guests of the Club. For men, slacks or golf shorts, worn with belts, and tucked collared shirts with sleeves are required. For women, dresses, skirts, slacks, shorts and shirts/blouses that meet the standards of the Golf Dress Code below are required.

Hats should not be worn in the dining rooms or elsewhere in the clubhouse. Tennis attire may be worn in the dining rooms during the day. However, tennis attire may not be worn in the dining areas in the evenings.

In general, denim, tank tops, tee shirts, cutoffs, cargo pants or shorts (i.e., having an external pocket on the leg), sweatpants, bathing suits, tennis shorts, gym shorts, boating shorts or other athletic shorts are not permitted.

Golf Dress Code

Appropriate golf attire is required at all times on the golf course, driving range or putting green. It is the responsibility of members to see that their guests are aware of and follow the dress code before teeing off. QHCC requires golfers to wear "spikeless" golf shoes on the golf course and practice areas. Use of shoes other than spikeless golf shoes must be approved by the golf Pro Shop staff before teeing off or using the practice facilities.

Dress Code Enforcement

The staff of the Pro Shop, the Tennis Pro and the restaurant are required by the Board to relay the dress code to anyone in violation of that code. Should a staff member be subjected to any abuse for doing so from a Member or a Guest, the Board encourages the staff member, or any Member who witnesses such behavior towards a staff member, to report it to the Rules and Grievance Committee so it can engage appropriately with the offending Member. Innocent "first offenses" regarding the dress code policy can be overlooked. However, a Member whose guests repeatedly violate the dress code will be dealt with by the Rules and Grievance Committee and the Board.

Men: Shirts with collars and sleeves, crew-necked shirts (but not tee shirts), turtlenecks, slacks, golf shorts and walking shorts worn with belts are considered proper attire. Tank tops, tee shirts, cutoffs, cargo pants or shorts (i.e., having an external pocket on the leg), sweatpants, bathing suits, tennis shorts, gym shorts, boating shorts or other athletic shorts are not permitted. Golf hoodies and sweaters will only be allowed if worn over collared shirts. Shirts tucked in at the waist are preferred. If golf caps are worn, brim should not be pointed backwards. Denim is not permitted.

Women: Dresses, skirts, slacks, mid-length shorts, golf shorts, golf shirts (with/without sleeves or collars), and turtlenecks are considered appropriate. Denim, halter tops, tank tops, bathing suits, sweatpants, gym shorts and cutoffs are not permitted.

Shoes: Quaker Hill is a “spikeless” golf course. Spikeless golf shoes are required on the golf course and practice areas. Use of shoes other than spikeless golf shoes must be approved by the golf Pro Shop staff.

Tennis Dress Code

Appropriate tennis attire is required. It is the responsibility of members to see that their guests are aware of and follow the dress code before entering the tennis courts.

Women and Men: Tennis shirts, tennis tops, shorts and skirts that are designed and marketed specifically for tennis are required. Sleeveless shirts are not appropriate, and neither are t-shirts, shirts with writing, cutoffs, jogging shorts, basketball shorts, gym shorts, soccer shorts, swimsuits, denim or tank tops. Women may wear sleeveless tops that are designed and marketed specifically for tennis. Spandex and leggings must be worn with a tennis skirt over them.

Croquet Dress Code

It is customary for croquet players to wear white attire. The Croquet Chair is the authority for the dress code on the court.

Handicaps

Golf is unique in that all players' abilities can be leveled if they fully adhere to the World Handicap System (WHS). The WHS requires that each time a player plays 14 or more holes, an 18 hole score must be posted. When a player plays 7 to 13 holes, a 9 hole score must be posted. For holes not played, a player should compute his or her score by combining par with that player's allotted handicap strokes for that hole, (Net Par).

Because the WHS adjusts scores daily, we encourage players to submit their score the day they play. This will allow for an adjustment based on the Playing Condition Calculation that recognizes any unusual playing conditions such as weather or course set-up that may increase scores. Players must also indicate Home, Away or Competition when posting their score.

Under the WHS, the maximum hole score for handicap purposes will be limited to Net Double Bogey, (par + 2 + any handicap strokes you receive).

All major tournaments at QHCC will require a player to have a handicap.

For further information on the World Handicap System, one can refer to usga.org and review the rules of handicapping, or contact a member of QHCC's Handicap Committee.

Members who do not want their handicaps to be kept at the Club must notify the Golf Professional and the Chairperson of the Golf Committee in writing; otherwise members will be billed for handicap service.

Dining Schedule

Members may call The Barn for more information at 845-743-5049.
To make a reservation, members may contact info@thebarnatqh.com
